

# *Merry Christmas!*

For unto you is born this day in the city of David a Saviour, which is Christ the Lord.  
Luke 2:11

Dear Friends,

What a year full of blessings we have seen in 2014. We can not thank you enough for all of the time you have spent praying for us! We have seen the Lord work in so many ways and we have seen so many miracles! As we think back over the year, we can not help but think of the way that the Lord delivered our son Jacob from a very necessary heart surgery! We remember how the Lord used several very special families to help us when our van broke down and we purchased our new vehicle, a 2004 Toyota. We remember when we made the last payment on our vehicle in November! We remember the excitement we felt with each new supporter! We remember when we crossed the 50% mark and then a few weeks later when we reached the 60% mark!! Then we remember the many individuals that touched our lives through a kind word or deed. We also remember the many churches that went out of their way to make us feel welcome or special, some in small ways and others in very extravagant ways. To all of you who have had a part in praying, giving, or just in simply being a blessing, we extend our warmest and most sincere thanks. Each and every one of you are counted as one of our blessings and our most precious friends!!

As we enter into this new year we would ask that you would continue to keep us in your prayers. We have crossed the halfway point in our pre-field ministry and we are so very anxious to arrive in Stewart and begin

the full time work there. As with any ministry, there is so much to do and so little time! The harvest is waiting and we are excited about the day when we will arrive in the field to do the work that God has placed in our hearts.

Please pray as we consider all of the details about our move and look towards this summer for a potential move date to be set. We have many things to work through including moving trucks, immigration, finances, insurance, the sale of our home in Tennessee, as well as many other things. We praise God for each of you and we pray that you will be blessed at this time of the year when we each have so much to be thankful for.

May the Lord richly bless each of you as you serve Him!!

In His Vineyard,

*The Noreau Family*
