Almost There!

We need another 10% in order to go fully funded. Please pray with us that our last bit of support will come in quickly.

Needs Supplied!!

Praise the Lord with us as our plane tickets that were needed for VBS in August were miraculously supplied through your prayers and giving!!

A Healthy Heart!!!

So many still ask us regularly about our son Jacob's heart. We are thrilled to report that he is still doing great and as far as we know he will still never need any surgeries! Praise the Lord!!

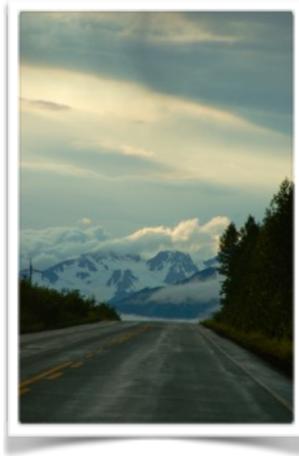

Praise God, We Are Moving!

Dear Pastors, Family, and Friends,

We are so thrilled that it is finally time for us to send this letter! This is the letter where we tell all of you, our faithful prayer warriors and supporters, that we finally have a moving date!! After finishing our final courses with our Mission Board, BMFP in Jacksonville, FL, we have been approved to move to Stewart this October!! What a busy time we have had these past few weeks as we have begun packing and have placed our home in Tennessee on the market. We have watched from a distance as the Lord worked in Stewart laying things in place to make way for our arrival. God has provided us with a place to live, a church building, and a group of excited people who are anxious to make a difference in the world for the cause of Christ!

As we approach October 12th, moving day, there are some things that we must get in order. One of our greatest obstacles will be getting permission to go to Stewart from the Canadian government itself. For this, we have contacted an immigration consultant and we would ask that you would pray for us in this matter as many aspects of our move can be quite expensive. We are also beginning to calculate the exact costs of our move. So far we have a quote from Uhaul for about \$3,500. Our fuel cost for our move is conservatively expected to be about \$2,500 for the Uhaul alone. With this said, we need your prayers for the Lord to provide for our every need over the next few months financially, physically, and spiritually!

Please continue to keep us in your prayers!

We are so thankful for those of you who are our faithful Prayer Warriors!! God answers the prayers of His people!!

Please continue to pray for:

- 10% of the remaining needed support
- Meetings to fill gaps in our schedule until October
- Our health and safety as we travel
- Shannon's ongoing issues with her eye (Possible outpatient procedure soon - still waiting for insurance approval)
- Our families as they battle with sickness (Shannon's dad is battling cancer)
- The sale of our home in Tennessee
- Funds to be raised for our move to Stewart, BC

Please pray for our home to sell soon...

We currently have our home for sale in Powell, TN and we are so looking forward to the day when it is sold!! We are almost finished packing all of our belongings that are in the house. They are carefully boxed, numbered, and inventoried. We still are working to finish packing the remaining items in the garage and bracing ourselves for another long cross country trek (hopefully our last for a good long while).

On Going Home...

While we are packing and moving I can not help but think of settling down - what a great relief that will be! We have been traveling steady for the last two years and it will be so sweet to wake up every morning in the same place for 30 consecutive days!! Pressing on in my thoughts it leads me to another home I long for. While we are weary of the road we are also so very weary of this present world. We are shocked and amazed at every turn of events we see in the news every day and we are made even more aware of how lost the world is around us. Missions are all about telling others about the love of our Heavenly Father. It is telling others so that they too can say that they are longing for their own home in Heaven. Will you join me in striving to tell others about Christ so that they can know for sure that their home is in Heaven also?

In His Vineyard,

The Noreau Family

Thank you so much for your continued prayers!!!
