

# THE NOREAU FAMILY

Missionaries to Stewart, British Columbia

## Over 10,000 Miles!

In the past month or so we have added another 4,000 miles to our vehicle! We can't thank you enough for all of your prayers for our safety!! We will be looking at new tires for our vehicle in the next few months. Please continue to keep us in your prayers!

## Over 37%!!

We have had a three new churches to take us on over this past month bringing our support level to over 37%! Our children are so excited about going to Stewart that every time we leave a new church they immediately want to know - "Did they support us?!?"

## Overwhelmed!!!

We are still amazed at God's timely provision. Regardless of how difficult things become we are so thankful that we serve a God who faithfully meets our needs right on time, every time! Your prayers are our greatest need as we continue to move forward.

## Here We Go Again!

*Dear Pastors, Family, and Friends,*

We are so thankful that the Lord has continued to bless us in our travels and in our labor for Him. This past month we have traveled many miles and we have been blessed to see the

Lord provide us with several new supporting churches. Currently we are home in Tennessee and we are making preparations to leave again. In the next two weeks we will be heading for the West Coast with stops in Kansas, Colorado, Utah, Oregon, Washington, and then into British Columbia. While we are in British Columbia we will be visiting with some supporting churches as well as visiting with new churches where we will present our ministry. We will also spend some time in Stewart where we will be ministering at Charity Baptist Church, our future home! While there, we will be conducting our Summer VBS program which has been an amazing ministry over the last few years. Please be praying with us that souls will be reached for the cause of Christ.

## *This past month...*

We have been very busy traveling and working on details regarding our home in Tennessee. While we have not actually placed our home on the market, the Lord has allowed us to grow closer to a couple who is interested in purchasing our home. Over the course of the last few months we have been getting closer and closer to working out the details of the sale and in the last few

### Please continue to keep us in your prayers!

We are so thankful for those of you who are our faithful Prayer Warriors!! God answers the prayers of His people!!

Please continue to pray for:

- 100% Support by the end of this year
- Enough meetings to fill our schedule for the rest of the year
- Our health and safety as we travel
- Shannon's ongoing issues with her eye (She received another injection in her eye this past week)
- Our families as they battle with sickness (Shannon's dad is battling cancer)
- The sale of our home in Tennessee

weeks this couple has been pre-approved to purchase our home. We are currently in the process of sorting, packing, and purging all of our worldly possessions in preparation for the sale of our home. We have so much to do and so little time! Please keep us in your prayers through this detailed process.

### *Our Needs...*

So often in our travels we are asked about our needs. Frankly, they are plenty... Our most consuming thoughts are "We need your prayers", and "We need support"! Sometimes we think of practical things that we need and may mention gas money, shoes, or something else that has come up as a need during our travels. Overall, we can honestly say that our Father in Heaven has continually met our needs and we are so thankful for His timely provision. Regarding needs though, we are so often struck by the needs of others that the Lord has placed in our path. During our pre-field ministry (deputation) we have been blessed to meet hundreds and hundreds of wonderful people. Many times during our moments at our display table people come to us with their needs. Prayer requests about their children, their own health, their spouses and many other things. So many of these I remember specifically in prayer, A couple in Virginia whose son has some special needs and is struggling, A sweet lady in Kansas whose family is lost and in need of the Saviour, A young person in Tennessee who is not sure where the Lord is leading them but they are praying for God's will in their life... The list goes on and on. Our time traveling has been such a blessing. Getting to meet so many who are faithfully serving God but also so many who are searching or hurting. It is a blessing to us to be able to lift others up in our prayers. Our time traveling is not just about us going to Stewart, it is all about the Lord and His work in this World. Please know that as we are asking for you to pray for us we are praying for you too!

In His Vineyard,

*The Noreau Family*

**Thank you so much for your continued prayers!!!**
