Almost There!

We only have 28% more to GO!!! Please keep praying - The Lord is Moving!!

Counting our Blessings!!

As we are packing for our move, we must inventory everything we pack for the border crossing. You never know how much you have until you actually have to count it!

Making a List!!!

Many have asked about our needs. Soon I will be publishing a list of our needed equipment for our work in Stewart. Anyone have an extra Dog Sled!?

Pressing toward the Mark!

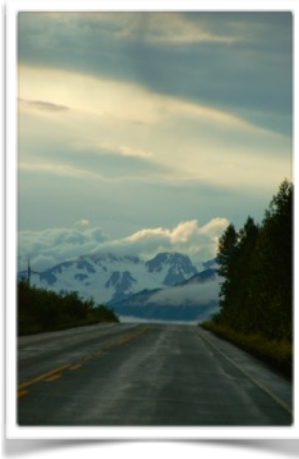

Dear Pastors, Family, and Friends,

What a busy time we have had these past few months! While we have not had as much traveling to do, we have been just as busy as ever. The Lord has allowed us to be in some amazing churches and to see our support level

increased even more. We have also dealt with the loss of a family member which has brought on a large amount of effort as we dealt with the sudden loss and the many events that followed. While we were home in Tennessee preparing our home to be sold we were bogged down with many repairs that needed to be done and much packing as we are preparing to move (Lord willing) in October. On top of all of this, all five of us are currently on antibiotics to knock out some bug that has had us down for about a week.... What a blessing to know that someday we will have rest with our Father in Heaven!!

As these days pass, we are becoming more and more anxious to be there in Stewart. The Lord has spurred my heart with so many things to preach and teach to the people there. I can't wait to be actively working to reach every soul with the precious Gospel of Jesus Christ. Currently we are in the planning stages of our VBS for this summer. I (Joe) am planning on going up there to help oversee the program and the Lord has provided several others who are also coming to help. Please pray as we try to raise about \$1000 extra to cover my flight and other expenses of our VBS. This is such a small investment in the eternal lives of the children in Stewart!

Please continue to keep us in your prayers!

We are so thankful for those of you who are our faithful Prayer Warriors!! God answers the prayers of His people!!

Please continue to pray for:

- 28% of the remaining needed support
- Enough meetings to fill our schedule for this year
- Our health and safety as we travel
- Shannon's ongoing issues with her eye (Possible outpatient procedure soon - still waiting for insurance approval)
- Our families as they battle with sickness (Shannon's dad is battling cancer)
- The sale of our home in Tennessee

Please pray for the Rogers in Stewart, BC...

Along with many other amazing families and individuals in Stewart, the Rogers Family have been a wonderful blessing to us. Sheldon, the husband, preaches on Sunday morning and Christina, his wife, is very active with the children's

program. They were instrumental in starting Charity Baptist Church in their own basement and they have been and continue to be a huge asset to us as we plan and work to get there. We would ask that you pray for them in their labor and for their own personal needs in their family. This winter they struck a moose on

the highway between Terrace, BC and Stewart and totaled their van.

While the Lord preserved their lives, they have faced other burdens in relation to this accident and the sacrifices that they have made for the work there in Stewart.

On Being Tested...

Last night I was able to hear my brother preach. He preached on being tested and it was such a blessing to me. While we have been on deputation we have been tested over and over but we know that God is always on the throne and it is through His testing and trials that we are made stronger, wiser, and better prepared for all that He has for us to do in Stewart, BC. Thank you all for your prayers and may the Lord richly bless you as you serve Him!!

In His Vineyard,

The Noreau Family

Thank you so much for your continued prayers!!!
