

THE NOREAU FAMILY

Missionaries to Stewart, British Columbia

Sky Miles!

This is the first time (and probably the only time) I have ever written one of our prayer letters while 33,000 feet in the air! I am excited have had the opportunity to fly to Salt Lake City, Utah to present our ministry in four churches over the course of four days.

Almost 50%!!

We are very excited as we are right at the 50% mark!! The Lord has allowed a couple more churches to vote us in for support and several more to promise to take us on! Please continue to pray as we are seeking to be on the field sometime in 2015.

Blessed!!!

We have the wonderful opportunity to travel around and work for the Lord. Sometimes it is smooth sailing and sometimes we are calling on the Lord to come and quickly calm the storms in our lives. The truth is, calm seas or tidal waves, He has promised to never leave us or forsake us!! Praise His Name!!

Pressing toward the Mark!

Dear Pastors, Family, and Friends,

I often find myself humming or singing the song I grew up hearing Skip Britton sing. "So little time and so much to do- God help us all to our post to be true. To tell them the story, Christ died for you. There's so little time, and so much to do." I think that this could easily be the theme song for most missionaries on deputation. Sometimes the amount of tasks that we need to accomplish is overwhelming but we are so thankful to have so many wonderful churches and individuals praying for us as we are seeking to serve the Lord in Stewart.

We are continually getting great reports from the church in Stewart. We are having new visitors and more children attending the morning services! God is so good to have provided a way for the work there to continue while we are raising our support. Please keep the families in Stewart in your prayers as they are working sometimes two and three jobs while they are trying to prepare kids club lessons and Bible Studies. These precious people are sacrificing so much to keep Charity Baptist functioning until we can finish raising our support and arrive there on the field. Would you please pray that many of the churches that we have presented our ministry in would join us in the effort to reach the people of North West Canada.

Please continue to keep us in your prayers!

We are so thankful for those of you who are our faithful Prayer Warriors!! God answers the prayers of His people!!

Please continue to pray for:

- 100% Support
- Enough meetings to fill our schedule for next year
- Our health and safety as we travel
- Shannon's ongoing issues with her eye (Possible outpatient procedure soon)
- Our families as they battle with sickness (Shannon's dad is battling cancer)
- The sale of our home in Tennessee

Please pray for Canada...

While we clearly desire your prayers for our family and for the town of Stewart and its surrounding communities, we also covet your prayers for Canada as a nation. There have been so many devastating events these past weeks. Seeing an attack on Canadian soil is heartbreaking. There were lives lost and we see that as a tragedy. The greater tragedy though is the fact that likely those who lost their lives may have never even heard the Gospel message. It is a travesty to think that for the 35 million souls in Canada there are only a handful of solid Bible preaching churches. It is a fact that in many US cities there are more Baptist Churches than there are in all of Canada. Would you please set aside time in your week to pray the Lord of the Harvest to send forth laborers into the field. For those who have never heard, will you Pray?

He is our Strong Tower...

I was meditating on this phrase from the Proverbs this past week and I started thinking about the significance of my God being my strong tower. What does that mean? How does that affect my life? I started to contemplate the purpose of a strong tower within the concept of a fortified city. I realized that the purpose of the strong tower was to guard the stronghold - to supply both a place to watch for the enemy and a safe place to flee in times of turmoil and trouble. So often we look to God only as our source of blessings and as our storehouse where we turn in times of physical need but He is so much more!! He is our refuge and our strength! He is our Deliverer! He IS our Strong Tower! If you, like so many others are struggling and you feel as if you are under attack why don't you run to your Strong Tower?

Proverbs 18:10 The name of the Lord is a strong tower: the righteous runneth into it, and is safe.

In His Vineyard,

The Noreau Family

Thank you so much for your continued prayers!!!
