

THE NOREAU FAMILY

Missionaries to Stewart, British Columbia

Thank You!

A huge Thank You to all of those who have sent special gifts and notes lately! It means the world to us!!

Focus!!

Over the last few months we have had several focused studies going on in our church in addition to regular Bible Preaching. Some of these include "Prayer", "How we got the Bible", "The fundamentals", "Bible Geography", and most recently "Creation Science"!

New Addition!!!

Meet Jasper!! He is our future "Bear Dog" which will be a great blessing. He is mostly Malamute and very cute! He should grow to about a hundred pounds!!!

Pressing On!

Dear Pastors, Family, and Friends,

It is hard to know where to begin our letter as we are now beginning our fifth month on the field here in British Columbia! Without doubt, we would like to praise our faithful God for His everlasting faithfulness and mercy and to thank you, our faithful prayer warriors and supporters. Over the last few months we have seen God work in the hearts of many and we have seen several new faces attending here at Charity Baptist. As these days pass, we are becoming more and more busy here in Stewart. The Kids are doing great in their homeschool studies and they are loving their new puppy and making friends all over town!

The Lord has provided us so many opportunities to reach out to many here in the community. In December we had several special events celebrating the birth of our Saviour and we saw more than 40 in our big Christmas event where the Gospel was presented clearly! We are having fellowships regularly and keeping constant crowds for those as well. One of our most recent has been a focus on working with kids for a pine car derby (we found a track in the building here!) and last week we had 14 here on a Friday night for "Cars and Coffee"! Please also pray for us on March 19th as we have our first youth activity. We have secured the local school gymnasium for a full fledged Nerf Battle day! Please pray that the Lord will allow us to have the liberty to preach the Gospel to the precious young people!

Please continue to keep us in your prayers!

We are so thankful for those of you who are our faithful Prayer Warriors!! God answers the prayers of His people!!

Please continue to pray for:

- Our family to stay encouraged and energized as we minister and share the Gospel
- Our support level to continue to increase
- The hearts of those in Stewart and surrounding areas to turn to the Lord
- Shannon's Eye Appointments in April - for safety traveling and for a miraculous healing!
- Our families as they battle with sickness (Shannon's dad is battling cancer)

Heartbreak...

In January, our home church in Virginia experienced a great tragedy as we lost Mrs. Dooley, the wife of our long time Pastor (who had himself passed away several years ago). She along with her son Todd, his wife Lori, and their three children all lost their lives as the result of some very tragic and difficult circumstances. For those of you who knew and loved them we express our deepest sympathy and for those of you who prayed for us and with us during our time of loss we extend to you our most heartfelt thanks and appreciation. Please do continue to pray for the Dooley family in the months ahead.

Please pray for Shannon's eye...

So many of you have been faithfully praying for Shannon's eye condition and for that we are both humbled and grateful! We have made two trips down to Terrace (four hours each way) for Shannon to see specialists. On our last trip they told us that they believe that Shannon's retina and optic nerve are in good condition and that there is a good possibility that her vision may be restored but they need to see her in Vancouver. This morning we received her appointment dates and it looks like we will be taking a week to travel down to Vancouver (an eighteen hour drive each way) for her to go for three days of testing and examination in mid-April. Would you please continue to pray for her and for the Lord to provide financially as the need arises.

Amazing Grace...

It is by God's grace that we are able to be here serving Him and telling others about His great love. Please continue to keep us in your prayers! May the Lord richly bless each of you as you seek to do His will in your own lives!

In His Vineyard,

The Noreau Family

Thank you so much for your continued prayers!!!
