Missionaries to Stewart, British Columbia

- Our Current Support
- Needed Support

## Almost There!

We are nearly at our needed support level. Please pray for the remaining support that we really need to get in!

## Amazing VBS!!

Last month we flew to Stewart for an amazing week of VBS! Many Bibles passed out and the Gospel was preached!

## Our Goodbyes!!!

Bittersweet is the best word to describe our emotions this week as we are saying goodbye to so many people that we love. Again, your prayers are appreciated.

## The Sprint is over! The Marathon Begins!!

*Dear Pastors, Family, and Friends,*

We have so much going on it will be hard to fit it all in this one letter! We have many praises to report and many other things to ask you to pray for. Our first big praise to share is that **our home has sold!!!!** Thank you all for your faithful prayers!!!

We closed on our home on this past Monday and the Lord blessed us so much in so many ways. Shannon and I were able to pack up and move everything from our home into a 10x10 storage unit in Powell, Tennessee in preparation for the next phase of our ministry.

We also would like to report that we have reserved our moving truck for October 13th for our final move to Stewart. Our current plans are for us to spend the rest of this week in Virginia with our families and we will begin our final Missions Conference on Sunday. All week we will be packing in the mornings and presenting our ministry during the evenings. As many of you know our plans for this week will be highly dependent on the course of the hurricane that is currently headed our way. Please pray for us as we make our final preparations for this huge move!!

### Please continue to keep us in your prayers!

We are so thankful for those of you who are our faithful Prayer Warriors!! God answers the prayers of His people!!

Please continue to pray for:

- 8% of the remaining needed support
- Our health and safety as we travel over 4,000 miles to Stewart in October
- Shannon's ongoing issues with her eye (Possible outpatient procedure soon - **still** waiting for insurance approval)
- Our families as they battle with sickness (Shannon's dad is battling cancer)
- Praise the Lord for the sale of our Home this past week!!

### *Please pray for our Journey...*

We will be spending our last Sunday with our home church in Chesapeake, VA and will be having our commissioning service. On Monday the 13th, we will leave Chesapeake, VA for Powell, TN where we will be picking up our moving truck and loading it from our storage unit. From there, Shannon will be driving our car and I will be driving our moving truck. Please pray for our safety as we travel and especially for Shannon as she deals with the eye issues that she suffers with. As many of you know, she is blind in her right eye and she is nervous about the trip.

Our two greatest challenges that we still face are our border crossing and our remaining support coming in. Regarding the support, we are very confident that our great God will meet our needs as He has promised but please continue to pray that our support level will continue to increase even after we arrive on the field. Concerning our border crossing, we are striving to have every bit of legal paperwork in order and we are praying for a very smooth border crossing. Your prayers in these two matters are so essential to our ministry that we ask that you join with us in praying fervently that God's will is done so that we can continue His work in Stewart.

We can not thank you enough for your prayers and your financial support. You are all counted as precious friends and we praise the Lord for your faithfulness!! God bless you all!

**Thank you so much for your continued prayers!!!**
